

Why Sonosky & Lief Cabraser?

- Together, our firms have a track record of working with Tribes and achieving great results. Together, our firms:
 - Sonosky has exclusively represented tribes and tribal health organizations for over 50 years, establishing itself as the premier law firm representing Native Americans and Alaska Natives.
 - Lief Cabraser has exclusively represented plaintiffs for over 50 years, handling the most complex cases.
 - Serve on the Tribal Leadership Committee in the National Prescription Opiate Litigation, where we have obtained over \$1.5 billion in settlements for Tribes.
 - Serve as Plaintiffs' Lead Counsel and Lead Tribal Counsel in the McKinsey Opioids drug case, resulting in a \$39.5 million settlement for Tribes.
 - Serve on the Tribal Leadership Committee in the Juul Vaping Case, and have recovered over \$10 million for our Tribal clients.
 - Advise over 30 tribes regarding PFAS contamination of their Tribal water systems, lakes, rivers, agriculture, livestock, and other natural and cultural resources.
- Elizabeth Cabraser serves as Co-Lead Counsel in the Plaintiffs' Leadership Group in the Camp Lejeune case.
 - Ms. Cabraser is actively involved in handling all aspects of the case.
 - She has been repeatedly recognized as one of the country's foremost litigators, and has unparalleled experience handling complex cases such as these.
- Lloyd Miller is a nationally-recognized expert on tribal health matters, including at the U.S. Supreme Court.
